# Manor Road South

“ Cars parked on junction. Very unsafe. Limits bus route access and restricts vehicle turning space out of junction. Prevents safe crossing by pedestrians and prevents access for the disabled. ”

### Bishops Road

“The road is so dangerous for pupils and families accessing the site and it can’t be much fun for the residents either.”

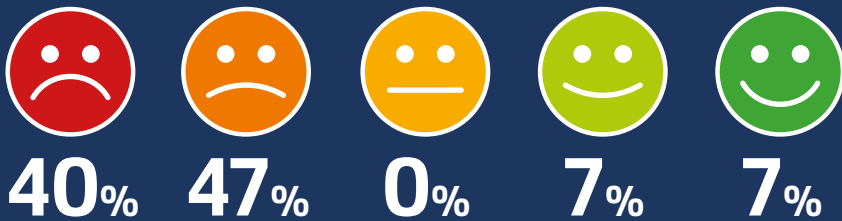

#### Most frequently used words

 **36** ‘agreement’ pins were placed on comments on Bishops Road

“The roads around this school are used by a lot of car users and the air pollution is awful. [...] Also the bus struggles to get through Bishops Road and it would help if this road was one way.”
