

THE CITY OF SOUTHAMPTON (MOUSEHOLE LANE) CROSSING NOTICE 2023

Statement of Reasons

This Order is being proposed for the following reasons:

- For facilitating the passage on the road or any other road of any class of traffic
- For avoiding danger to persons or other traffic using the road or any other road for preventing the likelihood of any such danger arising

In authorising the advertisement of these proposals the Council has given consideration to its duty under s122 of the Road Traffic Regulation Act 1984 to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) and the provision of suitable and adequate parking facilities on and off the highway (while having regard to the matters specified in s122 subsection (2) of that Act).

The puffin crossing is proposed east of Glenfield Avenue and will replace the current informal crossing point, serving the whole community and in particular Yarrow Heights School and Charlton House Independent School who no longer have a dedicated Crossing Patrol. 85th Percentile speeds of 37 to 38 MPH have been recorded on Mousehole Lane.
