

- Key:**
- Existing White Road Marking
 - Existing Yellow Road Marking
 - New White Road Marking (68m)
 - New Yellow Road Marking (106m)
 - New Low Level Planters (see Note 2) (4 No.)
 - Relocated Planters (See Note 3) (2 No.)
 - ➔ New Traffic Sign and Post (12 No.)
 - New Traffic Sign mounted to Planter (4 No.)
 - Rosehill Cycle Lane Defender with black bollard with white retroreflective sleeve. (6 No.)
 - Rosehill Traffic Island (Heritage), 1200 x 1200 x 125, with yellow retroreflective bollards with Left or Right arrow to Diag.610 directing traffic between the islands. (8 No.)

- Notes:**
1. The original of this drawing was created in colour.
 2. Planters on Brookvale Road and Belmont Road to be low level planters from Meristem, 2m long, 1m wide and 0.5m high. Height of planting and planter to not exceed 600mm above road level, to ensure visibility is maintained.
 3. Relocated Planters are those currently on Kent Road that are to be refurbished by Meristem prior to relocation.
 4. Temporary portable sign to be placed on Abbots Way informing users of a change in the road layout ahead.
 5. Alternating Priority along Brookvale Road are designed to provide a cycle bypass for non-priority direction, with the available carriageway width narrowing to 3-3.2m. This has been designed to make the gap small enough that cars don't attempt to overtake cyclists.
 6. Design is currently based on Ordnance Survey Data and measurements have not been confirmed on site.
 7. All of these insets are in areas that are part of a new 20mph scheme.
