

**THE CITY OF SOUTHAMPTON  
(SUBURBAN OFF-STREET PARKING PLACES) (AMENDMENT 5) ORDER 2024**

**Statement of Reasons**

This Order is being proposed for the following reasons:

- To manage parking demand during periods that are currently not covered by the charging hours
- To ensure tariffs continue to manage parking demand relative to inflation
- To encourage drivers to consider alternative means of transport

In authorising the advertisement of these proposals the Council has given consideration to its duty under s122 of the Road Traffic Regulation Act 1984 to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) and the provision of suitable and adequate parking facilities on and off the highway (while having regard to the matters specified in s122 subsection (2) of that Act).
