SOUTHAMPTON  
CITY COUNCIL

**Balfour Beatty**

Working in partnership

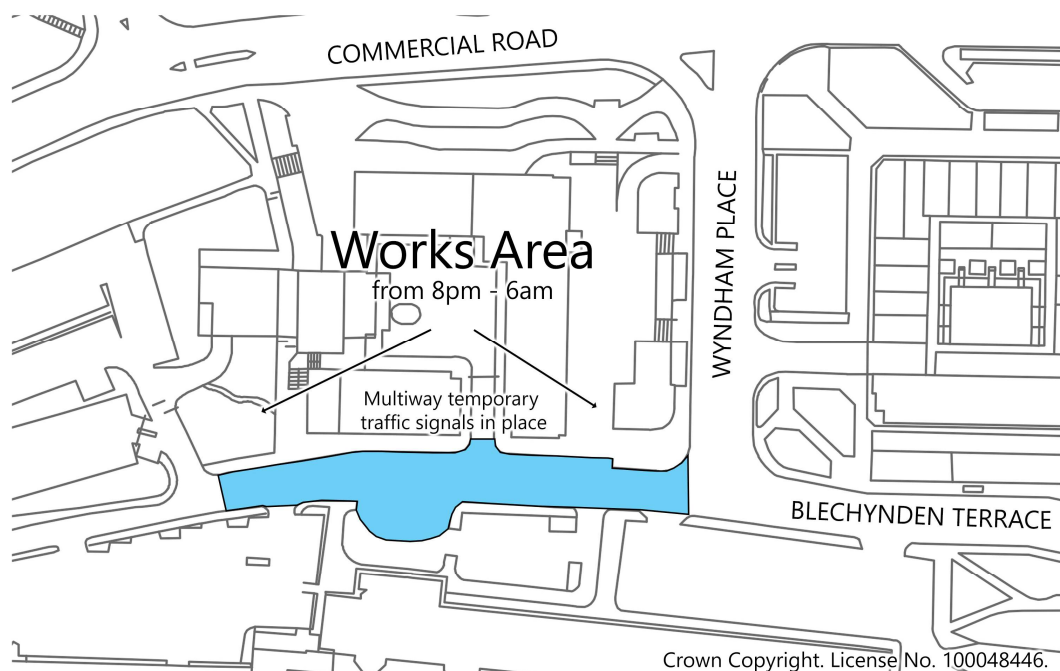

20<sup>th</sup> March 2025

Dear Occupier

## Blechynden Terrace – Carriageway Paving Works

Balfour Beatty is working in partnership with Southampton City Council to manage the highways service across Southampton. As part of this, we are making repairs to a portion of the carriageway on Blechynden Terrace, as part of our annual road maintenance programme.

This work is planned to take place from **Monday 7<sup>th</sup> April 2025**, and is expected to take **5 nights**. During this time, there will be road restrictions with temporary traffic signals in place on Blechynden Terrace, as seen in the map below.

**Working hours will be between 8pm – 6:00am, and the restrictions will be in place for the durations of the works with temporary traffic signals in place to maintain the flow of traffic to businesses, residents and for Southampton Central Station.** Please be aware that the dates in this letter are subject to changes, dependant on favourable weather conditions. In the event that works are delayed or ahead of schedule, we will alert you of any changes to the construction dates using yellow 'advance warning' signs in the area.

Prior to the start of the works, we may reserve the works area using 'no-waiting' cones; please do not park where you see these cones as we may need to remove vehicles which block access to our works.

We would like to assure you that we will facilitate refuse collection during this time, however if you do experience any changes to your access needs or are expecting any large deliveries, please speak to the team once they arrive on site and they will do their best to accommodate you.

Properties close to the carriageway may experience a temporary disturbance such as flashing lights and reversing sirens as this can be a noisy process. We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause.
