## IMPORTANT ROADWORKS INFO ENCLOSED

18 June 2025

Dear Occupier

### **Carlton Road/Bedford Place – Carriageway Patching Works**

Balfour Beatty is working in partnership with Southampton City Council to manage the highways service across Southampton. As part of this, we are carrying out defect repairs in the carriageway along **Carlton Road/Bedford Place**.

These repairs are planned to take place Tuesday 15 July 2025 for 1 night, between 7:00pm and 6:00am.

Works will be carried out in 2 phases, during this time, there will be a road closure along Carlton Road between Milton Road and Wilton Avenue – Carlton Road's junction with Carlton Crescent will also be closed (please see works area overleaf).

A traffic diversion route will be signed. Please follow signed diversion, works area can be seen overleaf. Prior to the start of the works, we may reserve the works area using 'no-waiting' cones; please do not park where you see these cones as we may need to remove vehicles which block access to our works.

The dates in this letter are subject to change, dependant on favourable weather conditions. In the event that works are delayed or ahead of schedule, we will alert you of any changes to the construction dates using yellow 'advance warning' signs in the area. To minimise disruptions we don't intend to work during weekends; however should we experience any delays then it may be necessary to work on Saturdays.

Refuse collections will be facilitated during this time. If you do experience changes to your access needs or are expecting any large deliveries, please speak to the team once they arrive on site and they will do their best to accommodate you.

Properties close to the works area may experience a temporary disturbance such as flashing lights and reversing sirens, as this can be a noisy process. We would like to take this opportunity to apologise for any inconvenience or disruption this work may cause.
