

THE CITY OF SOUTHAMPTON (VARIOUS ROADS) (STATIC RESTRICTIONS) (WEST) (AMENDMENT 7) ORDER 2025

Statement of Reasons

This Order is being proposed for the following reasons:

- For avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising (*i.e. to improve safety*)
- For facilitating the passage on the road or any other road of any class of traffic (including pedestrians)
- For preserving or improving the amenities of the area through which the road runs

The Council has received a substantive request for permit parking restrictions for Waltham Crescent, Bransbury Close and Purbrook Close. This has been considered in accordance with the Councils Residents Parking Policy and it is felt to be appropriate to formally propose permit parking and no waiting restrictions.

The proposals are intended to facilitate parking by residents in accordance with the Councils residents parking policy and prevent obstructive parking in the sections of Waltham Crescent, Bransbury Close and Purbrook Close which are narrow or otherwise unsuitable for parking.

In authorising the advertisement of these proposals the Council has given consideration to its duty under s122 of the Road Traffic Regulation Act 1984 to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) and the provision of suitable and adequate parking facilities on and off the highway (while having regard to the matters specified in s122 subsection (2) of that Act).
