Dear Occupier

Wimpson Lane – Carriageway Patching Repairs

Balfour Beatty is working in partnership with Southampton City Council to manage the highways service across Southampton. As part of this, we are due to carry out a carriageway patching repairs on **Wimpson Lane**.

These works are due to take place **Tuesday 2nd September** for **1 day**, between **9:30am and 3:30pm**.

During this time, there will be lane restrictions on Wimpson Lane, and be closed Southbound, please follow the signed diversion route.

Prior to the start of the works, we may reserve the works area using 'no-waiting' cones; please do not park where you see these cones as we may need to remove vehicles which block access to our works.

Please be aware that the dates in this letter are subject to change, dependant on favourable weather conditions. In the event that works are delayed or ahead of schedule, we will alert you of any changes to the construction dates using yellow 'advance warning' signs in the area.

If you do experience changes to your access needs or are expecting any large deliveries, please speak to the team once they arrive on site and they will do their best to accommodate you. To minimise disruptions we don't intend to work during weekends; however should we experience any delays then it may be necessary to work on Saturdays.

Properties close to the works area may experience a temporary disturbance such as flashing lights and reversing sirens, as this can be a noisy process. We would like to take this opportunity to apologise for any inconvenience or disruption this work may cause.

For information on roadworks and journey planning, visit myjourneysouthampton.com/travel, and for up to the minute travel information in the city and updates on this scheme, follow us on Bluesky [@scchighways.bsky.social](https://bsky.social/scchighways). For any other enquiries, please email roadworks@southampton.gov.uk.

Yours faithfully,

Rhian Redding
