Dear Occupier

## Brighton Road – Carriageway Patching

Balfour Beatty is working in partnership with Southampton City Council to manage the highways service across Southampton. As part of this, we are due to carry out carriageway repairs on **Brighton Road**.

These works are due to take place **Tuesday 4 November 2025** for **1 day**, between **8:00am** and **4:00pm**.

During this time, there will be a road closure Brighton Road from the junction of Banister Road, please see the map below and follow the signed diversion routes that will be in place for these works.

Prior to the start of the works, we may reserve the works area using 'no-waiting' cones; please do not park where you see these cones as we may need to remove vehicles which block access to our works.

Please be aware that the dates in this letter are subject to change, dependant on favourable weather conditions. In the event that works are delayed or ahead of schedule, we will alert you of any changes to the construction dates using yellow 'advance warning' signs in the area.

Refuse collections will be facilitated during this time. If you do experience changes to your access needs or are expecting any large deliveries, please speak to the team once they arrive on site and they will do their best to accommodate you. To minimise disruptions we don't intend to work during

weekends; however should we experience any delays then it may be necessary to work on Saturdays.

Properties close to the works area may experience a temporary disturbance such as flashing lights and reversing sirens, as this can be a noisy process. We would like to take this opportunity to apologise for any inconvenience or disruption this work may cause.
