Working in partnership

19 January 2026

Dear Occupier

Salem Street – Carriageway Improvements

Balfour Beatty is working in partnership with Southampton City Council to manage the highways service across Southampton. As part of this, we are undertaking carriageway improvements on Salem Street, as part of our annual road maintenance programme. These works are planned to start Tuesday 3 February 2026 and will take place in 2 stages:

Works Schedule			
<i>Phases</i>	<i>Works</i>	<i>Date(s) and duration</i>	<i>Traffic Management</i>
Phase 1	Civils work	Tuesday 3 February, expected to take 1 day	Road Closure
Phase 2	Carriageway Resurfacing	Thursday 5 February, expected to take 1 day	Road closure

Working hours will be between 7:30am – 5:30pm The restrictions will be in place only during working hours.

Access will be maintained when and where it is safe to do so, please liaise with the operatives onsite for access needs.

Please scan for more info

Please be aware that the dates in this letter are subject to changes, dependant on favourable weather conditions. In the event that works are delayed or ahead of schedule, we will alert you of any changes to the construction dates using yellow 'advance warning' signs in the area. Alternatively, you can keep up to date with the latest works happening on your road by scanning the QR code on the left or via: transport.southampton.gov.uk/network-repairs/road-repairs/

Prior to the start of the works, we will reserve the works area using 'no-waiting' cones; please do not park where you see these cones as we may need to remove vehicles which block access to our works.

Please note, to minimise disruption to residents we are not intending to work at weekends; however should we experience any delays then it may be necessary to work on Saturdays.

We would like to assure you that we will facilitate refuse collection during this time, however if you do experience any changes to your access needs or are expecting any large deliveries, please speak to the team once they arrive on site and they will do their best to accommodate you.

Properties close to the carriageway may experience a temporary disturbance such as flashing lights and reversing sirens as this can be a noisy process. We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause.
