Balfour Beatty

Working in partnership

20th April 2026

Dear Occupier

Northam Road – Carriageway Patching

Balfour Beatty is working in partnership with Southampton City Council to manage the highways service across Southampton. As part of this, we are due to carry out carriageway repairs on **Northam Road**.

These works are due to take place **Tuesday 5th May 2026** for **1 night**, between **8:00pm** and **6:00am**.

During this time, there will be a lane closure in **both** directions on Northam Road, at the junctions of Union Road and Princes Street.

Prior to the start of the works, we may reserve the works area using 'no-waiting' cones; please do not park where you see these cones as we may need to remove vehicles which block access to our works.

The dates in this letter are subject to change, dependant on favourable weather conditions. In the event that works are delayed or ahead of schedule, we will alert you of any changes to the construction dates using yellow 'advance warning' signs in the area.

If you do experience changes to your access needs or are expecting any large deliveries, please speak to the team once they arrive on site and they will do their best to accommodate you. To minimise disruptions we don't intend to work during weekends; however should we experience any delays then it may be necessary to work on Saturdays.

Properties close to the works area may experience a temporary disturbance such as flashing lights and reversing sirens, as this can be a noisy process. We would like to take this opportunity to apologise for any inconvenience or disruption this work may cause.

For information on roadworks, visit transport.southampton.gov.uk/interactive-roadworks-map/ and for up to the minute travel information in the city and updates on this scheme, follow us on Bluesky [@scchighways.bsky.social](https://twitter.com/scchighways). For any other enquiries, please email roadworks@southampton.gov.uk.

Yours faithfully,

Rhian Redding
