Dear Occupier

Lords Hill Way – Carriageway Resurfacing – Night Works

Balfour Beatty is working in partnership with Southampton City Council to manage the highways service across Southampton. As part of this, we are carrying out carriageway resurfacing on Lords Hill Way as part of our annual road maintenance programme.

These works are planned to start Monday 13th July 2026 and will take **4 nights** to complete.

Working hours will be between 20:00pm – 06:00am, and the restrictions will be in place only during working hours. Access will be maintained when and where it is safe to do so, please liaise with the operatives onsite for access needs.

Please see map on overleaf.

Please be aware that the dates in this letter are subject to changes, dependant on favourable weather conditions. In the event that works are delayed or ahead of schedule, we will alert you of any changes to the construction dates using yellow 'advance warning' signs in the area.

Alternatively, you can keep up to date with the latest works happening on your road by scanning the QR code on the left or via: transport.southampton.gov.uk/network-repairs/road-repairs/

Prior to the start of the works, we will reserve the works area using 'no-waiting' cones; please do not park where you see these cones as we may need to remove vehicles which block access to our works. Please note, to minimise disruption to residents we are not intending to work at weekends.

Properties close to the carriageway may experience a temporary disturbance such as flashing lights and reversing sirens as this can be a noisy process. We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause.
