Themes of Comments

No.	Theme
1	Enforce 20 mph - better signage / cameras
2	Fix issues from previous bus-gate / revert pre-trial layout / anti-bus-gate sentiment
3	Concern of traffic displacement if measures on Brookvale Road added (Abbotts Way, Russell Place, Portswood, etc.)
4	Remove build-outs / priority chicanes on Brookvale Road (seen as dangerous, and cause conflict / poor driver behaviour)
5	Add/maintain speed cushions / humps to slow traffic reliably
6	Improve crossing desire points and existing crossing facilities e.g crossing Brookvale Road itself, at junctions with Winn Road and Westwood Road
7	Raised tables at junctions to reduce driver speed and aid crossing
8	Road maintenance: potholes / resurfacing (esp. Winn Road) / blocked gullies / worn markings
9	Oppose a modal filter / keep Brookvale Road open, split of community, displaced traffic and longer detours
10	Support a modal filter on Brookvale Road – remove rat run, safer route to school, align with active travel aims.
11	Parking restrictions / reorganise bays
12	ANPR / residents-only access
