Working in partnership

01 July 2026

Dear Occupier

Hill Lane – Carriageway Resurfacing

Balfour Beatty is working in partnership with Southampton City Council to manage the highways service across Southampton. As part of this, we are undertaking carriageway resurfacing works on Hill Lane, as part of our annual road maintenance programme.

This work is planned to start Tuesday 21st July 2026 and will take **1 night** to complete.

During this time, there will be a **Northbound road closure** on Hill Lane, from the junction of Warwick Road to Burgess Road, please follow the signed diversion route in place.

Please see map on overleaf for further information.

Working hours will be between 8:00pm – 6:00am and the restrictions will be in place during working hours only. Driveway access will be maintained when and where it is safe to do so, please liaise with the operatives onsite for access needs.

Please be aware that the dates in this letter are subject to changes, dependant on favourable weather conditions. In the event that works are delayed or ahead of schedule, we will alert you of any changes to the construction dates using yellow 'advance warning' signs in the area.

Alternatively, you can keep up to date with the latest works happening on your road by scanning the QR code on the left or via: transport.southampton.gov.uk/network-repairs/road-repairs/

Prior to the start of the works, we will reserve the works area using 'no-waiting' cones; please do not park where you see these cones as we may need to remove vehicles which block access to our works.

Please note, to minimise disruption to residents we are not intending to work at weekends; however should we experience any delays then it may be necessary to work on Saturdays.

Properties close to the carriageway may experience a temporary disturbance such as flashing lights and reversing sirens as this can be a noisy process. We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause.

For information on roadworks and journey planning, visit myjourneysouthampton.com/travel, and for up to the minute travel information in the city and updates on this scheme, follow us on Bluesky [@scchighways.bsky.social](https://bsky.app/profile/scchighways.bsky.social).
