THE CITY OF SOUTHAMPTON
(VARIOUS ROADS) (PROHIBITION AND RESTRICTION OF WAITING) (AMENDMENT 93) TRAFFIC REGULATION ORDER 2026

Statement of Reasons

- For avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising (*i.e. to improve safety*)
- For facilitating the passage on the road or any other road of any class of traffic (including pedestrians)

In authorising the advertisement of these proposals, the Council has given consideration to its duty under s.122 of the Road Traffic Regulation Act 1984 to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) and the provision of suitable and adequate parking facilities on and off the highway (while having regard to the matters specified in s.122 subsection (2) of that Act).

General

The development of planning application 22/00351/FUL will see the development of 8 residential dwellings with associated access and parking on the former Mayfield Car Sales site on Archery Road.

During the planning phase highways and transport secured a s106 contribution for a Traffic Regulation Order to propose No Waiting at Any Time restrictions along the frontage of the development to protect the bus stop and bus's swept path. Additional restrictions are proposed in Ticonderoga Gardens following concerns of displacement to areas where obstruction could be an issue.
